 Two children:    total of **15** hours  
 Three children:  total of **20** hours

## Kindergarten

If your child is of Kindergarten age, you must first request administrative approval before enrolling your child in fewer than 5 days. We also strongly advise for all Kindergarten children to be enrolled in an Extended or Full Day schedule to fully take advantage of the academic benefits of our program.

## Additional Forms

Families must have all new student documentation and forms completed and submitted before the first day of school or have a scheduled submission date from administration.

## Withdrawal

If you decide to withdraw your child from The New School, a **30-day written notice** must be submitted to the Head of School. You are responsible for tuition payments **30 days** after the New School receives your written notice.

## Payment Plans

For your convenience, all new families enrolling at the beginning of the school year are automatically placed on a 10-month payment plan. Those entering the school later than this date will be provided with a pro-rated tuition amount and given details of their payment plan according to how many tuition payments are scheduled for the remainder of the year.

## Tuition Assistance

The school offers need-based tuition assistance for families who qualify. To find out more about this program, or about any other issue related to tuition or enrollment, please visit the **tuition and fees** page on our website at [www.montessoricenter.org](http://www.montessoricenter.org). Also, please feel free to contact the school if you have any questions.
