

The New School Montessori Center

Summer 2025 Program Overview

The New School Summer Program provides our pre-elementary (Nido, EY, and CH) children with the opportunity to continue their Montessori journey, whilst also enjoying a variety of fun theme-based activities. For elementary and MAP students, our summer camps provide a wide variety of fun, educational, and engaging week-long themes.

Summer Staffing

The summer session offers our teachers, interns, and assistants the opportunity to engage in training, creating materials, refining curriculum, and designing personalized programs for the upcoming academic year.

Consequently, the summer program is staffed with a rotation of various teachers and assistants. Please note that we cannot guarantee that your child's teacher will be present during summer. Additionally, CH children may be mixed with a different cohort than their regular classroom.

Summer Schedule

- The school does not open for early care at 7:30am during the summer.
- All programs begin at 8:20am.
- Half-day schedules for all ages end at 12:00pm.
- Full-day schedules for pre-elementary children end at 4:00pm.
- Full-day schedules for elementary students at 3:30pm.
- After-school ends at 4:30pm (not available for Nido or Early Years Programs).
- This year, our Summer Camp begins on Wednesday, June 11th to accommodate our preparation workdays.
- Please note we are closed for June 19th and July 4th. Additionally, there will be one early release date (noon dismissal) on July 25th for all programs.

Pre-elementary Student Eligibility

Early Bird Application Dates: February 4th through February 18th

Open Enrollment: Begins on February 19th

Our pre-elementary summer program fees cover all scheduled weeks of summer camp, regardless of attendance. Families are welcome to use part or all available weeks! If you have vacation plans, please let your child's teachers know for supply purchasing and planning.

Families in our pre-elementary programs (Nido, EY, and CH) who are re-enrolling should use the re-enrollment form to enroll in summer. For newly enrolling children, the summer selection is included in the new enrollment contract.

Current pre-elementary students who are not returning for the 2025-2026 school year are also eligible to apply during the open enrollment period, provided there is space available.

Elementary Student Eligibility

Early Bird Application Dates: February 4th through March 1st

Open Enrollment: Begins on March 2nd

Our elementary summer camp offers themed sessions on a week-to-week basis. You can find a list of these themes with descriptions on the Summer Program of our website. Camps are open to siblings, alumni, and families recommended by TNS parents or staff. Families may enroll for any number of weeks.

Please note, because the school must finalize contracts and payments with third-party instructors, we are unable to change camp selections after March 1st.

Admissions

Summer applications received after the due dates will incur a \$75 application fee. Once open enrollment begins, late applications will be accepted on a first-come, first-served basis, with priority given in the following order.

1. Children who will be returning for the 2025-2026 school year.
2. Children who are not returning in the fall but have a sibling who is.
3. New families on the waitlist.
